# Who We Are

Since its inception in 1994, Krish Fashion Accessories, formerly known as Krish Overseas, has been trusted by the leading clothing brands as their apex sourcing partner to fulfill large-scale clothing trims & accessories manufacturing needs. Being the brand in the vanguard of the sourcing industry, we connect fashion brands with experienced source suppliers who possess the technical expertise and capacity to meet the bulk requirement & the set standards of quality.

We recognise the need for consummate execution in bulk production for beautiful & functional designs to reach the masses and ease the sourcing component of the business for apparel brands by ensuring delivery of world-class trims & accessories with consistent quality and unparalleled workmanship. Honouring our commitments, we infallibly adhere to the stipulated supply chain, thus, enabling us to counter our competitors from China, Vietnam, Thailand, Indonesia & Bangladesh, making us a name to be reckoned with in the global marketplace.

# What We Do

We assist apparel brands in finding ideal trims & accessories sourcing solutions and help them in streamlining their large-scale manufacturing operations. Thus, we aid fashion labels, new and established, in accessing the workmanship that meets their requirements.

## Mission

To streamline a meticulous framework with emphasis on design subtleties for the modern apparel brands by developing planned and sophisticated sourcing systems, thus, also easing and fulfilling the bulk production requirements for the brands.

## Vision

To become a global leader in the sourcing industry and a reliable partner to brands, committed to presenting our new & existing clients with best-suited sourcing solutions by ensuring the quality & integrity of the products with agile management & efficient execution

# Our Network

A stylized map of Asia and surrounding regions, including parts of Europe, Africa, and Australia. The map is rendered in a light beige color with white outlines for countries. Four specific locations are highlighted with red dots and connected to white callout boxes by thin black lines. The callout boxes contain the location name in bold red text and the company name in a smaller, dark grey font. The locations are: India | Delhi, China | Guangzhou, Bangladesh | Dhaka, and HONG KONG.
